I would have gotten the promotion, but my attendance wasn't good enough.
It was getting dark, and we weren't there yet.
Cats are good pets, for they are clean and are not noisy.

We have never been to Asia, nor have we visited Africa.
He didn't want to go to the dentist, yet he went anyway.
Sometimes I stare at a door or a wall and I wonder what is this reality, why am I alive, and what is this all about?
All you need to do is pick up the pen and begin.
Had he known what was going to happen, he would have never stepped into the shower.
She hadn't had her cup of coffee, and that made things all the worse.
All she wanted was the answer, but she had no idea how much she would hate it.
It must be five o'clock somewhere.
He went back to the video to see what had been recorded and was shocked at what he saw.
Behind the window was a reflection that only instilled fear.
That was how he came to win $1 million.
She could hear him in the shower singing with a joy she hoped he'd retain after she delivered the news.
As he looked out the window, he saw a clown walk by.
There should have been a time and a place, but this wasn't it.
It was the best sandcastle he had ever seen.
There's an art to getting your way, and spitting olive pits across the table isn't it.
They say that dogs are man's best friend, but this cat was setting out to sabotage that theory.
Of course, she loves her pink bunny slippers.
Don't put peanut butter on the dog's nose.
She can live her life however she wants as long as she listens to what I have to say.
There are few things better in life than a slice of pie.
Not all people who wander are lost.
The knives were out and she was sharpening hers.
She felt that chill that makes the hairs on the back of your neck when he walked into the room.
Don't piss in my garden and tell me you're trying to help my plants grow.
He found the end of the rainbow and was surprised at what he found there.
Two more days and all his problems would be solved.
Love is not like pizza.
There's a reason that roses have thorns.
He looked behind the door and didn't like what he saw.
He fumbled in the darkness looking for the light switch, but when he finally found it there was someone already there.
He barked orders at his daughters but they just stared back with amusement.
He had a hidden stash underneath the floorboards in the back room of the house.
Nobody loves a pig wearing lipstick.
They called out her name time and again, but were met with nothing but silence.
He had accidentally hacked into his company's server.
You can't compare apples and oranges, but what about bananas and plantains?
It doesn't sound like that will ever be on my travel list.
He swore he just saw his sushi move.
He had reached the point where he was paranoid about being paranoid.

The sun had set and so had his dreams.
He learned the important lesson that a picnic at the beach on a windy day is a bad idea.
Be careful with that butter knife.
He didn't heed the warning and it had turned out surprisingly well.
It was a slippery slope and he was willing to slide all the way to the deepest depths.
He would only survive if he kept the fire going and he could hear thunder in the distance.
His confidence would have bee admirable if it wasn't for his stupidity.
She let the balloon float up into the air with her hopes and dreams.
his seven-layer cake only had six layers.
There was coal in his stocking and he was thrilled.
The rusty nail stood erect, angled at a 45-degree angle, just waiting for the perfect barefoot to come along.
So long and thanks for the fish.
The random sentence generator generated a random sentence about a random sentence.
She says she has the ability to hear the soundtrack of your life.
It turns out you don't need all that stuff you insisted you did.
The irony of the situation wasn't lost on anyone in the room.
The truth is that you pay for your lifestyle in hours.
The light in his life was actually a fire burning all around him.
Three generations with six decades of life experience.
Nothing seemed out of place except the washing machine in the bar.
He decided to live his life by the big beats manifesto.
The secret ingredient to his wonderful life was crime.
He was sitting in a trash can with high street class.
The fact that there's a stairway to heaven and a highway to hell explains life well.
I met an interesting turtle while the song on the radio blasted away.
At that moment he wasn't listening to music, he was living an experience.
This made him feel like an old-style rootbeer float smells.
In the end, he realized he could see sound and hear words.

The beach was crowded with snow leopards.
As the asteroid hurtled toward earth, Becky was upset her dentist appointment had been canceled.
She looked at the masterpiece hanging in the museum but all she could think is that her five-year-old could do better.
The white water rafting trip was suddenly halted by the unexpected brick wall.

She always had an interesting perspective on why the world must be flat.
The sudden rainstorm washed crocodiles into the ocean.
Harrold felt confident that nobody would ever suspect his spy pigeon.
He knew it was going to be a bad day when he saw mountain lions roaming the streets.
He decided to fake his disappearance to avoid jail.
He ended up burning his fingers poking someone else's fire.
She had a difficult time owning up to her own crazy self.
She was too busy always talking about what she wanted to do to actually do any of it.
She had that tint of craziness in her soul that made her believe she could actually make a difference.
He kept telling himself that one day it would all somehow make sense.
She moved forward only because she trusted that the ending she now was going through must be followed by a new beginning.
While all her friends were positive that Mary had a sixth sense, she knew she actually had a seventh sense.
He had a wall full of masks so she could wear a different face every day.
The group quickly understood that toxic waste was the most effective barrier to use against the zombies.
There have been days when I wished to be separated from my body, but today wasn't one of those days.
To the surprise of everyone, the Rapture happened yesterday but it didn't quite go as expected.
The bullet pierced the window shattering it before missing Danny's head by mere millimeters.
The complicated school homework left the parents trying to help their kids quite confused.
Too many prisons have become early coffins.
The external scars tell only part of the story.
Excitement replaced fear until the final moment.
The tattered work gloves speak of the many hours of hard labor he endured throughout his life.
The hummingbird's wings blurred while it eagerly sipped the sugar water from the feeder.
Poison ivy grew through the fence they said was impenetrable.
Watching the geriatric men's softball team brought back memories of 3 yr olds playing t-ball.
The teens wondered what was kept in the red shed on the far edge of the school grounds.
He strives to keep the best lawn in the neighborhood.
The spa attendant applied the deep cleaning mask to the gentleman's back.
Shingle color was not something the couple had ever talked about.
The sunblock was handed to the girl before practice, but the burned skin was proof she did not apply it.
The virus had powers none of us knew existed.
A quiet house is nice until you are ordered to stay in it for months.
As time wore on, simple dog commands turned into full paragraphs explaining why the dog couldn't do something.
Mothers spend months of their lives waiting on their children.
The team members were hard to tell apart since they all wore their hair in a ponytail.
She learned that water bottles are no longer just to hold liquid, but they're also status symbols.
Their argument could be heard across the parking lot.
Giving directions that the mountains are to the west only works when you can see them.
Traveling became almost extinct during the pandemic.
It was obvious she was hot, sweaty, and tired.

The Great Dane looked more like a horse than a dog.
He played the game as if his life depended on it and the truth was that it did.
It's not possible to convince a monkey to give you a banana by promising it infinite bananas when they die.
He went on a whiskey diet and immediately lost three days.
He watched the dancing piglets with panda bear tummies in the swimming pool.
Martha came to the conclusion that shake weights are a great gift for any occasion.
She had convinced her kids that any mushroom found on the ground would kill them if they touched it.
As she walked along the street and looked in the gutter, she realized facemasks had become the new cigarette butts.
Mary realized if her calculator had a history, it would be more embarrassing than her computer browser history.
The tree fell unexpectedly short.
Tomorrow will bring something new, so leave today as a memory.
Today I dressed my unicorn in preparation for the race.
Today is the day I'll finally know what brick tastes like.
Today we gathered moss for my uncle's wedding.
Today I heard something new and unmemorable.
Today arrived with a crash of my car through the garage door.
He found rain fascinating yet unpleasant.
He appeared to be confusingly perplexed.
She thought there'd be sufficient time if she hid her watch.
You'll see the rainbow bridge after it rains cats and dogs.
A dead duck doesn't fly backward.
I thought red would have felt warmer in summer but I didn't think about the equator.
Green should have smelled more tranquil, but somehow it just tasted rotten.
Blue sounded too cold at the time and yet it seemed to work for gin.
Warm beer on a cold day isn't my idea of fun.
Honestly, I didn't care much for the first season, so I didn't bother with the second.
The light that burns twice as bright burns half as long.
I liked their first two albums but changed my mind after that charity gig.
They improved dramatically once the lead singer left.
They desperately needed another drummer since the current one only knew how to play bongos.
People keep telling me "orange" but I still prefer "pink".
Hang on, my kittens are scratching at the bathtub and they'll upset by the lack of biscuits.
The tears of a clown make my lipstick run, but my shower cap is still intact.
The gloves protect my feet from excess work.
The fog was so dense even a laser decided it wasn't worth the effort.
He was an introvert that extroverts seemed to love.
The golden retriever loved the fireworks each Fourth of July.
I want a giraffe, but I'm a turtle eating waffles.
Henry couldn't decide if he was an auto mechanic or a priest.
100 years old is such a young age if you happen to be a bristlecone pine.
When he asked her favorite number, she answered without hesitation that it was diamonds.

The snow-covered path was no help in finding his way out of the back-country.
The waitress was not amused when he ordered green eggs and ham.
Buried deep in the snow, he hoped his batteries were fresh in his avalanche beacon.
Courage and stupidity were all he had.
I don't respect anybody who can't tell the difference between Pepsi and Coke.
As the years pass by, we all know owners look more and more like their dogs.
In hopes of finding out the truth, he entered the one-room library.
As he entered the church he could hear the soft voice of someone whispering into a cell phone.
He quietly entered the museum as the super bowl started.
He had concluded that pigs must be able to fly in Hog Heaven.
The rain pelted the windshield as the darkness engulfed us.
Beach-combing replaced wine tasting as his new obsession.
The blinking lights of the antenna tower came into focus just as I heard a loud snap.
People generally approve of dogs eating cat food but not cats eating dog food.
Car safety systems have come a long way, but he was out to prove they could be outsmarted.
They looked up at the sky and saw a million stars.
She opened up her third bottle of wine of the night.
With a single flip of the coin, his life changed forever.
The tart lemonade quenched her thirst, but not her longing.
He was the type of guy who liked Christmas lights on his house in the middle of July.
Toddlers feeding raccoons surprised even the seasoned park ranger.
She was disgusted he couldn't tell the difference between lemonade and limeade.
Whenever he saw a red flag warning at the beach he grabbed his surfboard.
Twin 4-month-olds slept in the shade of the palm tree while the mother tanned in the sun.
He always wore his sunglasses at night.
The three-year-old girl ran down the beach as the kite flew behind her.
While on the first date he accidentally hit his head on the beam.
Her scream silenced the rowdy teenagers.
After exploring the abandoned building, he started to believe in ghosts.
The view from the lighthouse excited even the most seasoned traveler.
He wondered if she would appreciate his toenail collection.
Some bathing suits just shouldn't be worn by some people.
His son quipped that power bars were nothing more than adult candy bars.
Pantyhose and heels are an interesting choice of attire for the beach.
She did a happy dance because all of the socks from the dryer matched.
She wasn't sure whether to be impressed or concerned that he folded underwear in neat little packages.
When she didn't like a guy who was trying to pick her up, she started using sign language.
The delicious aroma from the kitchen was ruined by cigarette smoke.

Swim at your own risk was taken as a challenge for the group of Kansas City college students.
She wondered what his eyes were saying beneath his mirrored sunglasses.
The ants enjoyed the barbecue more than the family.
They did nothing as the raccoon attacked the lady's bag of food.
When he had to picnic on the beach, he purposely put sand in other people's food.
The trick to getting kids to eat anything is to put catchup on it.
The beauty of the sunset was obscured by the industrial cranes.
He stomped on his fruit loops and thus became a cereal killer.
He walked into the basement with the horror movie from the night before playing in his head.
She saw the brake lights, but not in time.
No matter how beautiful the sunset, it saddened her knowing she was one day older.
She lived on Monkey Jungle Road and that seemed to explain all of her strangeness.
When motorists sped in and out of traffic, all she could think of was those in need of a transplant.
The tortoise jumped into the lake with dreams of becoming a sea turtle.
For the 216th time, he said he would quit drinking soda after this last Coke.
Lucifer was surprised at the amount of life at Death Valley.
It had been sixteen days since the zombies first attacked.
Charles ate the french fries knowing they would be his last meal.
She had the gift of being able to paint songs.
Carol drank the blood as if she were a vampire.
He drank life before spitting it out.
He dreamed of eating green apples with worms.
Dolores wouldn't have eaten the meal if she had known what it actually was.
Greetings from the real universe.
There's a message for you if you look up.
He found the chocolate covered roaches quite tasty.
It dawned on her that others could make her happier, but only she could make herself happy.
She tilted her head back and let whip cream stream into her mouth while taking a bath.
Jeanne wished she has chosen the red button.
It was her first experience training a rainbow unicorn.
He uses onomatopoeia as a weapon of mental destruction.
Weather is not trivial - it's especially important when you're standing in it.
I may struggle with geography, but I'm sure I'm somewhere around here.
It's a skateboarding penguin with a sunhat!
If you don't like toenails, you probably shouldn't look at your feet.
We will not allow you to bring your pet armadillo along.
When he encountered maize for the first time, he thought it incredibly corny.
He used to get confused between soldiers and shoulders, but as a military man, he now soldiers responsibility.
Just go ahead and press that button.
Going from child, to childish, to childlike is only a matter of time.
My dentist tells me that chewing bricks is very bad for your teeth.

He was disappointed when he found the beach to be so sandy and the sun so sunny.
She is never happy until she finds something to be unhappy about; then, she is overjoyed.
I would be delighted if the sea were full of cucumber juice.
The busker hoped that the people passing by would throw money, but they threw tomatoes instead, so he exchanged his
hat for a juicer.
I love bacon, beer, birds, and baboons.
I come from a tribe of head-hunters, so I will never need a shrink.
You're good at English when you know the difference between a man eating chicken and a man-eating chicken.
I'm confused: when people ask me what's up, and I point, they groan.
The pet shop stocks everything you need to keep your anaconda happy.
This book is sure to liquefy your brain.
People who insist on picking their teeth with their elbows are so annoying!
He enjoys practicing his ballet in the bathroom.
Separation anxiety is what happens when you can't find your phone.
Improve your goldfish's physical fitness by getting him a bicycle.
Nudist colonies shun fig-leaf couture.
A kangaroo is really just a rabbit on steroids.
When transplanting seedlings, candied teapots will make the task easier.
Before he moved to the inner city, he had always believed that security complexes were psychological.
Pair your designer cowboy hat with scuba gear for a memorable occasion.
For oil spots on the floor, nothing beats parking a motorbike in the lounge.
Standing on one's head at job interviews forms a lasting impression.
Every manager should be able to recite at least ten nursery rhymes backward.
Truth in advertising and dinosaurs with skateboards have much in common.
Nothing is as cautiously cuddly as a pet porcupine.
Nobody has encountered an explosive daisy and lived to tell the tale.
Iron pyrite is the most foolish of all minerals.
A suit of armor provides excellent sun protection on hot days.
I am my aunt's sister's daughter.
Wisdom is easily acquired when hiding under the bed with a saucepan on your head.
Everybody should read Chaucer to improve their everyday vocabulary.
He is no James Bond; his name is Roger Moore.
I like to leave work after my eight-hour tea-break.
Getting up at dawn is for the birds.
If eating three-egg omelets causes weight-gain, budgie eggs are a good substitute.
Shakespeare was a famous 17th-century diesel mechanic.
Hit me with your pet shark!
The Japanese yen for commerce is still well-known.
The Guinea fowl flies through the air with all the grace of a turtle.
Fluffy pink unicorns are a popular status symbol among macho men.
She cried diamonds.

Dan took the deep dive down the rabbit hole.
Erin accidentally created a new universe.

Patricia found the meaning of life in a bowl of Cheerios.
I'll have you know I've written over fifty novels
That must be the tenth time I've been arrested for selling deep-fried cigars.
Being unacquainted with the chief raccoon was harming his prospects for promotion.
The sight of his goatee made me want to run and hide under my sister-in-law's bed.
The most exciting eureka moment I've had was when I realized that the instructions on food packets were just guideli
nes.
It must be easy to commit crimes as a snake because you don't have to worry about leaving fingerprints.
I've traveled all around Africa and still haven't found the gnu who stole my scarf.
At that moment I was the most fearsome weasel in the entire swamp.
The chic gangster liked to start the day with a pink scarf.
She was only made the society president because she can whistle with her toes.
At last
The changing of down comforters to cotton bedspreads always meant the squirrels had returned.
Written warnings in instruction manuals are worthless since rabbits can't read.
Barking dogs and screaming toddlers have the unique ability to turn friendly neighbors into cranky enemies.
The furnace repairman indicated the heating system was acting as an air conditioner.
The water flowing down the river didn't look that powerful from the car
The bread dough reminded her of Santa Clause's belly.
Little Red Riding Hood decided to wear orange today.
The stench from the feedlot permeated the car despite having the air conditioning on recycled air.
Joe discovered that traffic cones make excellent megaphones.
Nancy decided to make the porta-potty her home.
Acres of almond trees lined the interstate highway which complimented the crazy driving nuts.
They decided to plant an orchard of cotton candy.
Tomatoes make great weapons when water balloons aren't available.
The tumbleweed refused to tumble but was more than willing to prance.
Nancy thought the best way to create a welcoming home was to line it with barbed wire.
The underground bunker was filled with chips and candy.
The dead trees waited to be ignited by the smallest spark and seek their revenge.

The overpass went under the highway and into a secret world.
His get rich quick scheme was to grow a cactus farm.
Siri became confused when we reused to follow her directions.
With the high wind warning
She found it strange that people use their cellphones to actually talk to one another.
The reservoir water level continued to lower while we enjoyed our long shower.
Peter found road kill an excellent way to save money on dinner.
Trash covered the landscape like sprinkles do a birthday cake.
The ice-cream trucks bring back bad memories for all of us.
Karen believed all traffic laws should be obeyed by all except herself.
They finished building the road they knew no one would ever use.
When confronted with a rotary dial phone the teenager was perplexed.
The glacier came alive as the climbers hiked closer.
Normal activities took extraordinary amounts of concentration at the high altitude.
The heat
Boulders lined the side of the road foretelling what could come next.
The fence was confused about whether it was supposed to keep things in or keep things out.
Homesickness became contagious in the young campers' cabin.
The toddler's endless tantrum caused the entire plane anxiety.
The manager of the fruit stand always sat and only sold vegetables.
The hawk didn't understand why the ground squirrels didn't want to be his friend.
Jim liked driving around town with his hazard lights on.
Mom didn't understand why no one else wanted a hot tub full of jello.
Instead of a bachelorette party
The family's excitement over going to Disneyland was crazier than she anticipated.
The old rusted farm equipment surrounded the house predicting its demise.
Her fragrance of choice was fresh garlic.

from tensorflow.keras.utils import to_categorical

y = to_categorical(y, num_classes = total_classes + 1) # total_classes are value in vocab and index start form 1 so
```

In [33]: `y.shape`

Out[33]: `(8186, 2620)`

In [34]:
```python
from tensorflow.keras.models import Sequential
from tensorflow.keras.layers import LSTM, Embedding, Dense
```

In [ ]:

How embedings works
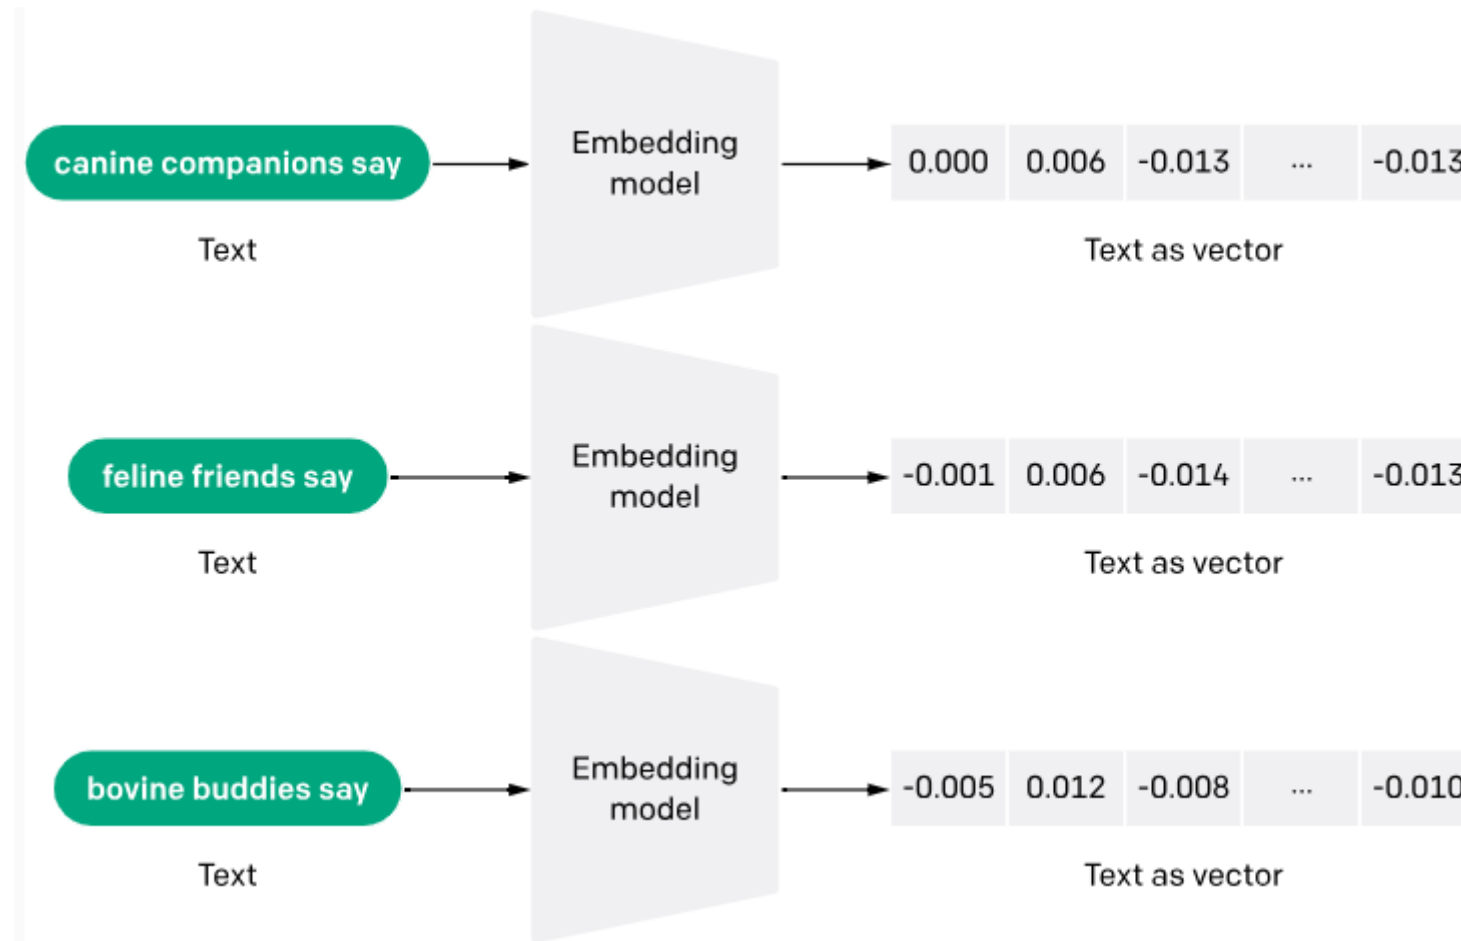

How LSTM Works
```python
In [63]:  import numpy as np

          # Define the model
          model = Sequential()
          model.add(Embedding(total_classes+1, 200, input_length = maximum_length))  # Embedding layer
          model.add(LSTM(200, return_sequences=False))  # LSTM layer
          model.add(Dense(total_classes+1, activation="softmax"))  # Dense layer (178 are total words in vocab, activation is

          # Compile the model
          model.compile(optimizer='adam', loss='categorical_crossentropy', metrics=['accuracy'])
```

```python
# Build the model with a random sample input
sample_input = np.random.randint(0, total_classes, size=(1, 50))  # Example input (batch_size=1, sequence_length=50
model(sample_input)

# Display the model summary
model.summary()
```
